

Deposition Conferencing Calling Services™

Deposition Conferencing is a wholly owned subsidiary of Wholesale Carrier Services, Inc., a nationwide provider of voice, data and wireless network services.

Established in 1994, WCS serves the needs of medium-large enterprises. Headquartered in Coral Springs, FL WCS is an FCC-licensed CLEC that manages over 200,000 access lines with client nodes in 17 countries. WCS provides access to over 125 worldwide carriers provided on a consolidated electronic invoice. WCS also offers a TEM (Telecom Expense Management) tool which can incorporate any invoice along with WCS's bills to effectively manage your total Telecom costs.
